Enfold Table & Work

The table in the Enfold series is a multi-purpose system and creative take on the dinner or conference table, turned into a playful workspace with different colorful attachments and attributes. With its modular attributes the table is transformed into a modern workspace where each person can adjust the personal space with a hanging shelf, a sliding sound absorber, and a set of trays connected to a frame.

Design	Sami Kallio
Environment	Indoor
Material	Tabletop in veneer, oak, ash or linoleum on plywood, reinforced with metal profiles. Legs in solid oak or ash. Leg brackets in casted aluminium in multiple colours. The linear beam, ledge and boxes consists of 8 - 70 % recycled metal and are powder coated. The powder coating provides both environmental and quality benefits as no solvents need to be added and the amount of waste is minimum.
Paint/Lacquer	Water based lacquer and paint on wood. Powder coated metal and aluminum.
Country of origin	Sweden
Certificates	FprEN 15372:2023 30 kg horizontal durability test 15,000 cycles 30 kg vertical durability test 15,000 cycles
Preassembled	Partial assembly required, see assembly instructions.
Repairability	Veneer table top and legs can be repainted. Legs and brackets can be replaced.
